WHY PARTICIPATE AT EISENWARENMESSE TOOL PAVILION

- Tools are an integral part of interzum bogotá and of the furniture supply industry in Colombia and the Andes region
- Hand and machine tools valued 145 million USD were imported to Colombia in 2018
- Hand and machine tools valued 42 million USD were exported from Colombia in 2018
- Present your products in the Tool pavilion powered by EISENWARENMESSE and enjoy special attention at the fair
- Top buyers of large scale and medium sized DIY stores as well as large and medium sized production companies are known to visit the fair and also source tools
- Colombia, by being a member of the Pacific Alliance, opens business opportunities across all member countries and access to more than 214 million consumers

WHY INTERZUM BOGOTÁ

interzum bogotá, formerly known as Feria Mueble & Madera, is the leading trade fair for industrial wood processing and furniture manufacturing in Colombia, the Andean region, Central America and the Caribbean. The exhibition offers a wide range of machinery samples, supplies and services for the wood processing and furniture manufacturing industry.
