Fair profile

interzum bogota, formerly known as Feria Forestal Mueble & Madera, has been well established as a meeting point since 1991 and is the leading international trade fair for woodworking, wood processing and furniture manufacturing in the Andean Region, Central America and the Caribbean. interzum bogota undoubtedly holds the key to new business contacts across the region.

interzum bogota is part of the interzum network and the interzum brand family and benefits from being part of the world's leading event: interzum in Cologne, Germany; also of expanding the potential in the Asian market with interzum Guangzhou, China.
